

Dear Parents/ Guardians,

Each student will be using a recorder in Music Class. A recorder is a useful music-making instrument that allows all students to participate simultaneously. We will be learning musical concepts such as reading the treble clef staff and rhythmic patterns. Each student will need his/her own recorder. They will be kept in the classroom, unless the student wishes to practice at home. (He or she must bring the recorder back to class on Music days.) Here are your options:

1. Buy a high-quality recorder from me at school. Recorders cost \$5 (payable with cash or check to the school).
2. Bring a recorder from home. (Please no dollar store toy recorders.)
3. Borrow a school recorder. (These have been thoroughly cleaned, and each student who uses one will be issued one for the whole year.)

All students must return the lower half of this sheet indicating which option you chose for your child. If you wish to purchase a recorder from school, please send check or cash \$5 attached to the form.

Recorder money will be collected from Tuesday, August 15th – Tuesday, August 29th and cannot be combined with any other monies.

Making a Joyful Noise,

Brooke Dunham

_____ (cut below line) _____

Name: _____ Class: _____

Check one:

I wish to purchase a recorder from school & my \$5 is attached.

I Plan to bring a recorder from home.

I plan to borrow a school recorder for the year.

I wish to sponsor another child's recorder for an extra \$5
