

## Christmas Wish List Directions

1. Create a list of 5 items that you desire to get for Christmas this year.
2. Research the cost of each item and put it next to each of your items on the list.
3. Consider one of these 5 items to “give up” for Christmas this year in hopes to be able to donate that amount to children without Christmas for Toys for Tots.
4. Write a three or more sentence paragraph to your parents explaining your reasoning.
5. Discuss the Toys for Tots Program and your Christmas Wish List with your parents and obtain their signature at the bottom of the wish list stating that you have discussed this with your parents. \*\*\*The signature is not obligating a donation. It is merely stating that the parents are aware of the program and Christmas desires.\*\*\*

Due Tuesday, November 17th!
