I am interested in applying for an aide for the upcoming year. I understand that I will be working in an office environment where my appearance, attitude, attendance, cooperation, work habits, and behavior will all be important. I realized that I may be exposed to confidential information that should remain confidential.

This is NOT a study hall, and I will be prepared to do whatever I am asked to do.

I understand that I will NOT receive credit or a grade for being an Aide.
