

Test/Quiz Rules

- **Keep your eyes on your own paper.**
- **Make a good faith effort to keep your paper covered.**
- **No communication between students during the test, either verbally or nonverbally.**
- **“During the test” is defined as the time between passing out the test and taking it up.**
- **When you finish the test, turn it upside down and put your pencil down.**
- **You may put your head down or read a book; these are the only allowed activities during the test.**
- **You should only use a pencil for taking the test.**
