Headphones or Earbuds

Third graders are SO blessed with a class set of chromebooks! Your child would benefit from a pair of headphones. If you choose to send headphones to school with your child, they will be kept in your child's desk & used only by him/her when necessary! Amazon & Five Below have great, cheap options!

Office News:

Labor Day - Monday, September 2 - No School
Listserv - Please sign up for listserve to receive messages from administration

Snow Cone Day - Friday, September 6
INow Home Portal Access - We will be sending home information this week about how you can have access to your child's home portal through INow. This would include instructions with your login information attached. If you do not receive an attachment to the instructions, you can email Kristy Archer at karcher@shelbyed.org. She will email your information ASAP.

*** Please check and initial your child's planner nightly for reminders and important information.**

Math homework: Periodically I will send home math practice pages. These give you a chance to see what we are working on in class and how things will be graded. This is great additional practice for your child to reinforce skills we are working on in class.

Join our class on seesaw:
