Office News:

***Snow Cone Day** - Friday, September 6

***STEM Week** - We are looking for engineers to come speak to our students during the week of November 4 - 8. If a parent or relative is interested, please email Jennifer Galloway at jgalloway@shelbyed.org

***Car Rider Parents:** Please form two lines when entering the school campus in the morning and afternoon. This will help prevent the car rider line from backing up over the hill by the pool. We run two lanes both morning and afternoon. We also ask that parents NOT park and walk their children across the crosswalk unless they have business to take care of in the office or have a special needs student that needs to be walked inside. All parents should drive through the car rider line both morning and afternoon. Our car rider line begins at 7:05 am and ends at 7:45 am, so you should have plenty of time to get your child here before the bell rings at 7:45 am. Anyone arriving at 7:45 am or after will need to walk their child into the front office and sign them in. Thanks for your cooperation!

*** Please check and initial your child's planner nightly for reminders and important information.**

Join our class on seesaw:
