First Year Student Merit Based Scholarships

Consideration

- First-year students accepted for admission by [mid-January](#) receive automatic consideration. A scholarship application is not required.
- Consideration is based on high school GPA and standardized test score. Verify Auburn has received your most recent academic information in the Applicant Portal. Auburn will accept the ACT Superscore Report. Auburn will also calculate a superscore for the SAT and any individual score reports from ACT. Only your best testing result will be used for scholarship consideration. Updated highest scores from individual tests must be received by Auburn by January 10. *Scores received after this deadline will not be reviewed for competitive merit scholarship consideration.*

Awards

- Scholarships are awarded competitively. Consideration does not guarantee an award. Each entering class competes with itself. Actual awards are determined based on the number of qualified admitted students, the credentials of those applicants, and available funding.
- First-year students accepted for admission earlier are more likely to receive an award.
- Scholarships are awarded mid-November, mid-December, and mid-February.
- Recipients are notified by email to their [Auburn email account](#) and by postal mail to their permanent address.

Scholarships for National Merit Finalists

Consideration

- First-year students named National Merit Semifinalists must complete the scholarship application through AUSOM by February 15.
- National Merit Finalists should contact the National Merit Scholarship Corporation to name Auburn University as their [first choice institution](#) by May 1. For more information how students qualify as National Merit Finalists, please visit [National Merit Scholarship Corporation](#).

Awards

- National Merit Finalists receive a stipend of \$4,000 over four years at \$1,000 per year.
- Depending on eligibility as determined through completion of the Free Application for Federal Student Aid (FAFSA)*, eligible students may receive an additional \$1,000 annually.
- National Merit Finalists who are Alabama residents may receive the National Scholars Presidential Scholarship valued at \$42,000 over four years at \$11,000 per year, which will replace a previously awarded competitive merit scholarship.

SELECT NEED-BASED SCHOLARSHIPS

Select need-based scholarships are awarded to **Alabama residents** and are renewable for four years. First-year students must enroll summer or fall immediately following high school graduation to receive consideration.*

Consideration

- First-year students accepted for admission by [mid-January](#) receive automatic consideration. A scholarship application is not required.
- Consideration is based on financial need and high school GPA. For students who apply for admission as test optional, the academic assessment during the evaluation for admission is also considered.
- Financial need is determined by the [Free Application for Federal Student Aid \(FAFSA\)](#), which must be received by Auburn by February 15. Students selected for [financial need verification](#) are not eligible for need-based scholarships if the verification process is incomplete.
- A minimum 3.0 high school GPA is required for consideration.
- Additional consideration is given to first-generation college students and students from underserved areas in Alabama.

Awards

- Scholarships are awarded competitively. Consideration does not guarantee an award.
- The award amount is \$2,000 or \$5,000 per year for four years.
- Students may receive a select need-based scholarship in addition to other scholarships awarded.
- Select need-based scholarships are awarded mid-February, and recipients are notified by email to their [Auburn email account](#).

**Please visit [First-year Student Scholarships](#) under [Frequently Asked Questions](#) for more information on specific enrollment situations that may impact select need-based scholarship eligibility.*

Information on scholarship payment and renewal can be found at [Select Need-Based Scholarships](#).

ACHIEVEMENT AND LEADERSHIP SCHOLARSHIPS

Achievement and leadership scholarships may be awarded as funding permits and are renewable for four years. First-year students must enroll summer or fall immediately following high school graduation to receive consideration.*

Consideration

- First-year students accepted for admission by [mid-January](#) and complete the scholarship application in the [Auburn University Scholarship Opportunity Manager \(AUSOM\)](#) by February 15 receive consideration.
- Consideration is based on high school GPA and information provided on the scholarship application. For students who apply for admission as traditional applicants, standardized test score may also be considered. Updated test scores must be received by Auburn by January 10. For students who apply for admission as test optional applicants, the academic assessment during the evaluation for admission may also be considered.
- **Priority consideration is given to Alabama residents.**

Awards

- Scholarships are awarded competitively. Consideration does not guarantee an award.
- The average high school GPA for achievement and leadership scholarship recipients in the most recent entering class was 4.29. The average award amount for achievement and leadership scholarship recipients in the most recent entering class was \$1,500 to \$2,000 per year for four years.
- Students may not receive an achievement and a leadership scholarship. Students also may not receive an achievement or leadership scholarship and a competitive merit scholarship.
- If funding permits, scholarships are awarded by early March, and recipients are notified by email to their [Auburn email account](#).

**Please visit [First-year Student Scholarships](#) under [Frequently Asked Questions](#) for more information on specific enrollment situations that may impact achievement and leadership scholarship eligibility.*

Jacksonville State University

<https://www.jsu.edu/finaid/scholarships/>

First-Time Freshmen will be considered automatically for merit scholarships upon admission to JSU. Merit scholarships cannot stack on one another; this includes the

Leadership Scholarship and JSU Honors Scholarship. Out-of-state students receiving a merit-based scholarship or grant will qualify to pay their remaining tuition balance at the in-state rate.

- Academic merit scholarships are awarded based on students' highest cumulative high school GPA
- Awarded scholarships will be applied to your student account beginning in your first fall semester and can be redeemed for 8 semesters (cannot be applied to summer terms). Students who are admitted and begin during the Spring semester will receive 7 semesters of their merit scholarship
- Students who have a composite test score (ACT/SAT) on file may qualify for a higher-valued scholarship
- Test scores will not have the ability to lower your scholarship amount, only improve it
- Test scores and transcripts received by May 1, 2024 will be evaluated for potential scholarship increases.

Crosland Scholarship

Recipients of the Crosland Scholarship are among an elite group of students chosen for their outstanding scholarly achievements, their character, commitment to others and to the common good. The average award for a Crosland Scholar is \$17,500 and can be combined with other scholarships at Samford including the Davis and Marvin Mann Legacy. However, this scholarship cannot be combined with the Marion Scholarship. Competitive freshmen applicants for this scholarship will have an ACT of 26 or higher (SAT of 1240 or higher) and 3.5 minimum GPA. Freshmen applying without a test score will be considered for the Crosland Scholarship using a recalculated, weighted GPA on a 4.0 scale. Competitive transfer applicants have a minimum college GPA of 3.5 and have earned at least 24 credits of undergraduate coursework. No additional application required. Crosland Scholarship recipients are expected to maintain minimum 3.0 GPA on all Samford University course work and uphold Samford's code of values.

Davis Scholarship

For entering freshmen. Additional application required. Davis Scholarship recipients are students who have demonstrated outstanding community engagement and service to others throughout their high school years.

Davis Scholarship recipients are expected to maintain a minimum 2.5 GPA on all Samford University course work and uphold Samford's code of values. The applicants must be competitive by December 1 of their senior year. The Davis Scholarship is a \$2000 annual scholarship.

Marion Scholarship

The Marion Scholarship is awarded to individuals who will continue the tradition of holding steadfast to the values of Samford University while aspiring to make a positive impact in their communities and throughout the world.

The average award for a Marion Scholar is \$13,000 and can be combined with other scholarships at Samford including the Davis and Marvin Mann Legacy. However, this scholarship cannot be combined with the Crosland Scholarship. Competitive freshmen applicants for this scholarship will have a 3.0 minimum high school GPA and be fully admitted to Samford. Competitive transfer applicants have an average college GPA of 3.0 and have earned at least 24 credits of undergraduate coursework. No additional application required. Marion Scholarship recipients are expected to maintain a minimum 2.5 GPA on all Samford University course work and uphold Samford's code of values.

Marvin Mann Academic Excellence Scholarship

The Marvin Mann Academic Excellence Scholarship is awarded to National Merit Finalists. Samford announces the recipients of the annual award in early spring when final aid packets are released.

The Marvin Mann Academic Excellence Scholarship may be renewed for a maximum of eight semesters provided recipients maintain a minimum 3.0 GPA on all Samford University course work and uphold Samford's code of values.

This award of up to \$10,000 can be combined with a National Merit Semi-Finalist Scholarship. The scholarship committee may choose to increase the annual value of the award and/or extend the scholarship to others who exemplify the values of academic excellence.

Marvin Mann First Generation Scholarship

The Marvin Mann First Generation Scholarship is awarded to students whose parents did not complete a four-year college (bachelor's) degree and have demonstrated financial need. All admitted students are automatically considered for this award. To be eligible for this award, you must:

- Demonstrate financial need through the FAFSA.
- Be a first-generation college student.*
- Be a first-time incoming college freshman or transfer student.
- Be starting Samford in the fall term (or summer/fall term if a transfer student).
- Be available to move in early and participate in events throughout the fall and spring semesters.
- Samford announces the recipients of the \$5,000 annual award in early spring when final aid packets are released. The Marvin Mann First Generation Scholarship may be renewed for a maximum of eight semesters provided recipients maintain a minimum 2.5 GPA on all Samford University course work and uphold Samford's code of values.

*Please note: Samford defines first-generation college student as a student whose parents did not complete a four-year college degree. Students can still be considered a first-generation college student with older siblings having a four-year college degree or attending college. A limited number of these scholarships are available each year.

Marvin Mann Legacy Scholarship

The Marvin Mann Legacy Scholarship is awarded to students who have had a family member graduate from (or is currently enrolled in) Samford University or Howard College. This information must be provided through your application for admission. The Mann Legacy Scholarship is a \$1,000 scholarship and may be renewed for a maximum of eight semesters provided recipients maintain a minimum 2.5 GPA on all Samford University course work and uphold Samford's code of values.

Marvin Mann Ministry Scholarship

Available to any incoming freshman whose parent has been ordained by, and is actively serving in a full-time, paid position in a church, parachurch, or missions organization that teaches the gospel of Jesus Christ and affirms the core values of Samford University. The church or agency where the parent works must provide the principal part of the minister's income. This award is valued at \$3,500 per year and may be renewed for a maximum of eight semesters provided recipients maintain a minimum 2.5 GPA on all Samford University course work and uphold Samford's code of values.

Ragland Scholarship

This program is a cohort experience and, thus, limited to entering freshmen. An additional application is required by the February 15 scholarship deadline. The Ragland Scholars program exists to cultivate academic and social support for Black, Indigenous, and people of color (BIPOC) entering Samford. The students, faculty and staff that comprise the Ragland Scholars program aim to empower, foster and promote the leadership and academic excellence of Elizabeth Sloan Ragland.

In her memory, Samford seeks to orchestrate an intentional community designed to connect ten multicultural student leaders with an enhanced Samford experience. Members of the Ragland cohort receive a competitive annual scholarship award and are selected through a competitive application and interview process. Samford announces Ragland Scholars recipients in early spring when final aid packets are released.

Please contact your admission counselor to express interest in applying.

PRESIDENTIAL ELITE

A student with a 4.0+ GPA and 36 ACT OR 1600 SAT will be selected as a Presidential Elite Scholar and will receive:

- Value of tuition for up to four years or eight semesters for degree-seeking undergraduate and graduate or law studies
- First year of on-campus housing at regular room rate (based on assignment by Housing and Residential Communities)
- \$1,000 per year supplemental scholarship for four years
- \$2,000 one-time allowance for use in summer research or international study (after completing one year of study at UA)
- \$500 per year Supe Store book scholarship for four years

Deadlines - Summer/Fall 2024: UA will accept test scores and transcripts through December of a student's senior year. Admitted students who meet the May 1 application date will be considered for automatic merit scholarships.

Alabama Advantage Scholarship - Alabama Advantage is the first of its kind to come from an Alabama college or university. The scholarship funds the remaining dollars

needed to cover the cost of UA's in-state tuition after scholarships and grants have been applied.

Eligibility:

- Be an in-state student
- Be eligible for the full Pell Grant
- Submit all financial aid package requirements and receive financial aid award by May 1
- Enroll full time with at least 12 credit hours per semester
- Maintain a 2.0 cumulative UA GPA and pass at least 67% of attempted credit hours for the fall and spring semesters combined each academic year

Alabama Prestige Scholarship - Awarded to selected Alabama scholars with exemplary academic and non-academic achievements, The Alabama Prestige Scholarship will cover tuition for four years, as well as housing for the first year.

Eligibility:

- Be an in-state student, attending a high school in the state of Alabama
- Have a 3.5 or higher GPA
- Submit an application for admission and all supporting documents by January 15
- Receive unconditional admission to UA

Award:

- At least one student from every high school in the state of Alabama will receive the Alabama Prestige Scholarship, which includes four years of tuition and first-year housing. Larger high schools could have up to three recipients.
- This is a competitive scholarship, and review will be based on the strength and competitiveness of the admission application. This includes both academic and non-academic components such as course rigor, GPA, leadership, honors and activities or work experience. Students must be unconditionally admitted to The University of Alabama and have at least a 3.5 high school GPA to be considered for the scholarship.
- Recipients will be notified they have been awarded the Alabama Prestige Scholarship on their Consolidated Scholarship Offer Letter which is released in early March.
- Students awarded the Alabama Prestige Scholarship, who have previously been awarded Automatic Merit Scholarships, a Competitive Admissions Scholarship or program scholarships of lesser value, will be upgraded to the Alabama Prestige Scholarship.
- Students must submit their admissions application and all supporting documents by January 15 to be considered for this scholarship

National Recognition Scholarship - First-time freshmen who are recognized by the National African American, Hispanic, Indigenous or Rural & Small-Town Recognition Programs are strongly encouraged to submit all application materials by the January 15

priority deadline to ensure consideration. If eligible students submit an application and all supporting documents after January 15 but by May 1, they will receive consideration for admission on a space available basis.

If admitted, students who are eligible for the National Recognition Scholarship package will receive:

- Value of tuition for up to four years or eight semesters for degree-seeking undergraduate and graduate or law studies
- \$1,000 per year supplemental scholarship for four years
- First year of on-campus housing at regular room rate* (based on assignment by Housing and Residential Communities)

Eligibility:

To be considered for the National Recognition Scholarship at UA, first-time freshmen must be recognized by the College Board National Recognition Program. The College Board National Recognition Program is a third-party organization that create pathways to college for underrepresented students by awarding them academic honors and connecting them with universities across the country. Admitted freshman that opt out of College Boards College Search must email their National Recognition Scholar certificate to scholarships@ua.edu by May 1. Please review the College Board National Recognition Programs webpage for the eligibility requirements of this program.

Academic Elite Scholarship - To be considered for the Academic Elite Scholarships, a student must be accepted as a member of the University Fellows Experience (UFE). The student must maintain membership in the UFE to continue holding an Academic Elite Scholarship. Complete information on UFE can be found on the University Fellows website. There are a total of eight academic elite scholars named each year. The pool of eligible applicants typically exceeds 1,000 students. These scholarships are awarded for four years.

Seven Academic Elite Scholarship recipients will receive:

- Tuition for four years
- One year of on-campus housing at regular room rate**
- \$8,500 per year undergraduate supplemental scholarship for four years*
- \$500 per year undergraduate book scholarship for four years

The top Academic Elite Scholarship recipient will receive:

- Tuition for four years
- One year of on-campus housing at regular room rate**

- \$8,500 undergraduate supplemental scholarship for the first year*

Presidential Scholarships are reserved for valedictorians and salutatorians of high schools in the College's service area. Academic Scholarships are awarded to students who plan to receive an A.A. or A.S. degree from ESCC and/or transfer to a four-year institution pursuing a bachelor's degree. High school students must be ranked in the top 25% of their graduating class. Current and past ESCC students must have completed at least 12 semester credit hours at ESCC and have earned at least a cumulative 3.0 GPA.

Career and Technical Scholarships are awarded to students who plan a career in one of the career or technical fields of study offered at ESCC. Students must have at least an 80 average in their high school grades or have passed the GED test. Current and past ESCC students must have completed at least 12 semester credit hours at ESCC and have earned at least a cumulative 3.0 GPA.

These scholarships may be awarded for up to two academic years, provided the recipient maintains the required grade point average and completes the minimum required credit hours per semester. Scholarship renewal for the sophomore year is not automatic. Students who wish to renew their scholarships must reapply each year by March 1.

Fine Arts Students talented in music, visual arts, and theatre are invited to apply and audition for a Fine Arts Scholarship. Enterprise State Community College offers scholarships for participation in the ESCC Concert Band, ESCC Concert Choir, Entertainers Show Choir, Theatre, and Visual Arts. These fine arts activities provide cultural enrichment for the College and surrounding communities.

Students must take a minimum of 12 credit hours and must maintain a cumulative grade point average of 2.5.

Leadership ESCC offers leadership scholarships to a limited number of students who are interested in participating in student leadership organizations. Recipients are required to maintain at least a 2.50 cumulative GPA.

The W.O.W. Team (Welcoming Orientation Weevils) conducts orientation activities for

new students on the Enterprise Campus.

The ESCC Ambassadors are the official College student hosts and hostesses for the Enterprise campus, giving tours and serving in a multitude of capacities both on the Enterprise campus and in the community.

The ESCC Aviators serve as the official College hosts and hostesses on the Alabama Aviation College, A unit of ESCC campus at Ozark.

Minimum GPA and Enrollment Requirements: Incoming freshmen must have a minimum 75 average. All others must have a minimum 2.5 GPA. This GPA must be verified by the high school principal, counselor, or a valid college transcript.

Length and Value: One-year scholarships (in various amounts) for tuition and fees to be divided equally between fall and spring semesters.

Continuation Policy: Students must reapply each year.

Additional Requirements: Scholarship recipients will be required to write thank-you letters to foundation donors. Some LBWCC Foundation Scholarships are based on financial need. To be considered for those scholarships, students should explain any circumstances that demonstrate a special financial need for assistance with their college expenses.

For further information, contact Chrissie Duffy at cduffy@lbwcc.edu or 334.881.2390.

Honors Program Scholarships

Description: Each year students will be accepted into LBW's Honors Program, which is located on the Andalusia Campus for students pursuing an Associate in Arts or Associate in Science degree.

Minimum GPA Requirement: Incoming freshmen must have a minimum 90 average to be considered.

Length and Value: Two-semester scholarship that will cover tuition and fees up to \$4,000 (up to \$2,000 Fall semester and up to \$2,000 Spring semester) as long as the student is enrolled in a minimum of 12 credit hours. In approved academic circumstances, scholarships will be awarded to students taking less than 12 credit hours, and the scholarship award amount will be prorated.

Continuation Policy: This scholarship is renewable for a second year for students who complete 24 credit hours, which include honors courses, with a cumulative minimum GPA of 3.250.

Additional Requirements: The Honors Program Scholarship selection has two phases.

Phase One: Scholarship Application and ACT Score

Applicants must submit the LBW Institutional Scholarship Application, current high school transcript, two (2) letters of recommendation by the March 1 deadline. Letters of recommendation can be written by teachers, counselors, principals, community leaders, or employers. Applicants must have taken the ACT and have a composite score of 22 or higher.

Phase Two: On-Campus Interview and Writing Assessment

After reviewing the information provided in Phase One, the Honors Program Committee will select and notify students to be interviewed for the Honors Program Scholarships. For further information regarding the honors program, contact Shannon Lightsey at slightsey@lbwcc.edu or 334.881.2255.

Leadership Scholarships

Description: Incoming freshmen and returning students who have demonstrated high academic and leadership abilities.

Minimum GPA and Enrollment Requirements: Incoming freshmen must have a minimum 80 average. All others must have a minimum 3.0 GPA. Recipients are required to become active members of the Student Government Association. They must also complete at least ten hours each semester with the SGA and participate in at least two SGA-sponsored events.

Length and Value: Two-semester scholarship that will cover tuition and fees up to \$1,000 (up to \$500 Fall 2022 semester and up to \$500 Spring 2023 semester) as long as the student is enrolled in a minimum of 12 credit hours. In approved academic circumstances, scholarships will be awarded to students taking less than 12 credit hours, and the scholarship award amount will be prorated.

Continuation Policy: Students can reapply each year. Second-year awards are competitive and based on student involvement, successful completion of credit hours, and cumulative grade point average.

Additional Requirements: Applicants should list any leadership accomplishments and extracurricular activities, as well as any club/church/organization affiliations.

ROTC Scholarships (ECP Program)

If you meet the qualification requirements for acceptance into the Early Commissioning Program and have a High School GPA of 2.5 (on a 4.0 scale), then you qualify to compete for an Army Two-Year Scholarship worth more than \$20,000 per year in total benefits.

Substantial benefits paid by the Army can accrue to college-level ROTC cadets, benefits which can significantly reduce the cost of attending Marion Military Institute. The Army will pay Advanced ROTC (ECP) college cadets (those taking Military Science III or Military Science IV) a one-time uniform allowance of approximately \$1,272.

In addition, advanced course cadets are paid a subsistence allowance of \$450 per month for Military Science III cadets and \$500 per month for Military Science IV cadets for nine months of each academic year. Uniform allowances are paid by the Army directly to individual cadets about midway through the first year and midway through the second year.

For further ROTC Scholarship information see our ROTC Scholarships page or email qturner@marionmilitary.edu

MMI Foundation Scholarships

The Marion Military Institute Foundation offers scholarships to qualified students attending or planning to attend Marion Military Institute. Each scholarship has its own eligibility requirements, but awards are usually based on academic qualifications, leadership potential, community service, and financial need. Note: Returning MMI sophomores are also welcome to apply for these Foundation Scholarships, awarded each summer and winter.

The term Nontraditional Careers refers to occupations or fields of work, including careers in computer science, technology, and other emerging high skill occupations; in which individuals from one gender comprise less than 25 percent of the individuals employed in an occupation or field of work. The percentage of Career Technical Education (CTE) concentrators in CTE programs, and programs of study, that lead to Nontraditional Careers is a core indicator of performance for the Federal Strengthening Career and Technical Education for the 21st Century Act (Perkins V) accountability.

Female Nontraditional careers are occupations in which less than 25 percent of individuals employed are female.

Male Nontraditional careers are occupations in which less than 25 percent of the individuals employed are male.

The program and nontraditional gender needs to be listed on the website, along with items needed to complete the scholarship application.
