## Things in our Classroom

We have 7 habits in are class-room. They are proactive, begin with the end in mind, put first things first, think win~ win, seek first to understand then to be understood, synergize, and sharpen the saw. Our 7 habits help us to be in charge of us, have a plan, and work first then play . That's why we have our 7 habits! In Mrs. Colmer's class we have a class bank. Our class has a class bank because students in Mrs. Colmer's class need to see how to count money. We go to our class bank every Friday. The class bank is very special to the class. Those are the things that are special to our classroom ! We look forward to using these things

### The Hamster

### Surprise

One day Mrs .Colmer read a book to us called *Happy Birthday Hamster* . After Mrs. Colmer read us the book she said, "Let me go get something." SUPRISE! Mrs. Colmer brought in the hamster. We were surprised. We got a

class pet. Our new class pet was so small. Every body charged up to the hamsters cage. Mrs. Colmer was trying to get the hamster . She finally got the it . And when she got the hamster she showed it to us and the hamster turned around and bit Mrs. Colmer. Then , we went back to the carpet and talked about names and we decided on Fluffy . That is our hamster story.
