# Eastern Europe Project Guidelines

We will be exploring Eastern Europe by creating a Google Slides presentation that you will present to the class. You and an assigned partner will research a country in Eastern Europe. You will use the 8 culture traits to explore your country. You must find information about each culture trait. You will have 3 - 4 in-class days to research your country and create the presentation using your research.

This project is worth **140 points!**

REQUIREMENTS:
- You will decide which Eastern European country you want to research.
- Create **at least 1 slide** for each culture trait. Along with your title slide and your sources slide, you should have a minimum of 10 slides.
- Find **at least 3 facts** for each culture trait to go on your slide/slides.
- You must have a total of **24 facts** throughout your presentation, but you may have more facts for some traits than for others. **YOU MUST NUMBER EACH FACT IN YOUR PRESENTATION! Number the facts #1-24.**
- You must have at least **2 pictures or visuals for each culture trait**. For example, you might find a picture of a major export for the *economy* culture trait.
- You must have a total of **16 pictures or visuals** throughout your presentation, but you may have more pictures for some culture traits than for others.
- Must use **2 sources**, which should be listed on a slide at the end of your project. (*Wikipedia* is NOT a source. Google and Bing are search engines, not sources!!!)

**The World Factbook on the CIA webpage is a good source to start with. Use this link to access the site: https://www.cia.gov/library/publications/the-world-factbook/. Also, encyclopedias and any government or education sites (ending in .gov or .edu) are usually trustworthy and reliable.

Examples of types of information for each trait:

**Daily Life:** food, clothing, urbanization, family life, daily schedule (ex. some cultures eat late at night or have "tea time" in the afternoon), literacy rate, etc.

**Social Groups**: types of ethnic groups, percentage of males/females, percentage of age groups, etc.

**Economy**: exports & imports, types of industries, etc.

This project is due on **Thursday, March 12th**!

***A letter grade will be deducted for each day the project is late!***

My country is: _____

# Eastern Europe Project Rubric

Name: _____     Partner: _____

Country: _____     Presented: _____

| Element | Possible Points | Student Checklist | Teacher Assessment |
|---|---|---|---|
| **Slides**<br>Project includes at least 10 total slides<br>*1 Title slide*<br>*1 slide for each trait (8)*<br>*1 Bibliography (Works Cited) slide* | **20 points**<br>(2 points per slide/trait) | | |
| **Culture Traits**<br>***8 traits x 3 facts each trait***<br>Includes at least **24 facts** that are <u>numbered (#1-24)</u>. | **48 points total**<br>(2 points per fact) | | |
| **Illustrations**<br>***8 traits x 2 pictures each trait***<br>Includes at least **16 illustrations/visua**ls. | **32 points total**<br>(2 points per illustration/visual) | | |
| **Bibliography**<br>Includes at least **2 sources**, listed on the last slide of the presentation. | **10 points**<br>(5 points per source) | | |
| **Layout and design**<br>The overall organization, design, and creativity help to make the presentation <u>interesting</u> & <u>informative</u>. | **10 points** | | |
| **Organization/Content/Presentation**<br>Each trait is clearly explained through facts & visuals. | **20 points**<br>(2 points per slide) | | |
| **Total** | **140 points** | | |

**Due Date: <u>Tuesday, March 12th</u>**

***There will be a letter grade deducted for **every day** that the project is late!***
