

## Family Tree Directions:

1. Choose a template from below.
2. Find out the names of: your mom's parents & your dad's parents (your grandparents). Also, find out the names of your mom and dad's grandparents (your great grandparents).
3. You need to use their real names.
4. You need to find out their full names, if possible.
5. You need to find out maiden names for women and write them on the chart also.
