

Dear Parents, Family and Friends of the 2018-2019 Oak Mountain Middle School National Junior Honor Society Inductees,

I would like to congratulate you and your child on his/her achievement. This event is a very special occasion for your child as well as a proud moment for you too. We hope that you will be able to join us for the Induction Ceremony which will be held in our gymnasium and a reception will follow in the school's cafeteria.

**In order to maintain the integrity of our current security plan for our campus, we ask that all attendees of the NJHS Induction Ceremony:**

- Please park in the parking area in between the elementary and middle schools. Please do not park in the front parking lot and come to the front/main office---you will be redirected.
- Please enter the building through **DOOR NUMBER 7** which is located near the end of our building at the entrance to our gym.
  - Door number 7 will be the only access point to this event.
  - Again, if you happen to come to the front office, you will be redirected around to door 7 where entrance can be gained.
- You will be given a **visitor sticker** that has NJHS Induction on it.
  - This will allow you access to the concession hall, gym, and cafeteria. Further access to the building will not be permitted.
  - There are restrooms located on the concession hall for your convenience.
- Please remember to have your visitor sticker on at all times when in the building. This is the only thing that helps us to acknowledge that you are supposed to be on our campus.
- At the conclusion of your visit to the NJHS Induction/Reception, we ask that you **exit the building through door number 7** as well.

Please use the below map as your OMMS NJHS Induction Day Campus Guide.

Thank you for your cooperation in keeping our campus safe! Again, congratulations to all newly inducted members and their families and friends.

Respectfully,

Deputy Ryan K. Shivers, OMMS School Resource Officer
