

Application Packet 2019-2020

Thank you for your interest in becoming a member of the National Junior Honor Society at Oak Mountain Middle School. Membership in NJHS is one of the highest honors that can be awarded to a student. Our chapter strives to give practical meaning to the honor society's standards of scholarship, leadership, service, citizenship, and character.

These five ideals will be considered as the basis for your selection as well as a fundamental part of our chapter activities. No student is inducted simply because of high academic average. The National Junior Honor Society strives to recognize the total student—one who excels in all of these areas.

If you are chosen to be inducted into the OMMS Chapter of the NJHS, you will be expected to:

- maintain an overall “A” average in your 4 core academic classes;
- participate in all NJHS meetings (typically one a month);
- complete 10 hours of community service during the 2019-2020 school year;
- participate in the NJHS Chapter community service project(s);
- demonstrate good leadership, citizenship, and character at Oak Mountain Middle School and in the community.

If you have any questions about the obligations of being a NJHS member or about the application process, please see one of the advisors.

Sincerely,

Lauren Gingras

The following items must be included in your completed application packet:

_____ Candidate application form

_____ 2 Recommendation forms completed by teachers

We do not need the cover letter [page 1] returned.

_____ One form must be completed by one of your former **Oak Mountain Middle School 6th grade teachers**. The teacher must be a core academic teacher (math, science, social studies, or ELA). If you did not attend OMMS in 6th grade, you may get two of your current 7th grade core academic teachers to complete your recommendation form.

_____ One form must be completed by one of your current **Oak Mountain Middle School 7th grade teachers**. The teacher must be a core academic teacher (math, science, social studies, or ELA).

Additionally, we are also in the process of running discipline reports on all students being considered for our school's chapter of NJHS. Because The National Junior Honor Society is not solely interested in your GPA or your academic accomplishments, but rather in you as a complete person, low teacher scores, poor feedback, and/or a disciplinary infraction(s) could quite possibly keep you from being extended an invitation.

Please list below the two people from whom you have requested recommendation forms.
