

## OMMS Gala Pick-up Route

Notice you will enter the OMMS parking lot and bus canopy by actually entering the OMES entrance and snaking around the parking lots.

Form **two** lanes when you enter the big lot between the schools.

Please **pull all the way forward** without leaving large gaps between cars.

**Do not stop right beside your child to save them from walking a few extra feet.** This slows the departure for other people.

Students are not allowed to leave the curb to enter your car until given permission. A whistle will be blown to signal it is okay to load cars.

Be sure to enter at the elementary school.
