

2022 MAKE SUMMER COUNT MATH CAMP

Help ease the transition from OMIS to OMMS by enrolling your child in a math camp taught by high school math teachers!
Help get your child back into math shape from having their education disrupted by Covid-19!

6th Grade: July 18-22 ** 9 A.M. – Noon**Oak Mountain Middle School Campus**

7th/8th Grade: July 18-22 ** 1 P.M. – 4 P.M.**Oak Mountain Middle School Campus**

6th Grade: July 25-29 ** 9 A.M. – Noon**Oak Mountain Middle School Campus**

7th/8th Grade: July 25-29 ** 1 P.M. – 4 P.M.**Oak Mountain Middle School Campus**

During the camp, your student will review basic operations, multiplication facts, problem solving and preview upcoming math skills. Attendance at the camp will not only reinforce current abilities, but allow your child to be more confident once school begins. If your child attends one week, he/she does not need to attend the other because it will be the same concepts covered. We have to keep the classes small due to health regulations.

WHAT IS THE COST OF CAMP?

- \$155 for five days; 15 hours of instruction.
- The registration fee and form is due by May 15 to secure a spot. Please indicate which camp your child will attend.
- Please pay by **My School Bucks** on the OMMS website.

WHAT DOES MY CHILD NEED TO BRING TO CAMP?

- Notebook, several pencils, a four function (simple) calculator
- A snack and drink for break.

For questions regarding camp, please contact Amanda Bittinger at abittinger@shelbyed.org.

~ Students should be dropped off & picked up on bus canopy side of OMMS ~

2022 MAKE SUMMER COUNT MATH CAMP ~ REGISTRATION FORM

You can register your child on MY SCHOOL BUCKS with all the information below included by May 15, 2022. This form does not have to be filled in or returned unless you just want to email it to abittinger@shelbyed.org but you are not registered until MY SCHOOL BUCKS is completed.
