

TOLBERT TIMES

GRC

MES 2014-2015

Welcome Back!

Welcome back to another year at Montevallo Elementary School GRC! I hope everyone have a wonderful, restful summer! I am so excited about this year as I have many exciting things planned for my students!

GRC folders will go home each week as this is one way we can communicate with each other. If there is paperwork that needs to be sent home and/or items to be filled out and returned to school, it will be in the GRC folder. Please check with your child the day they have GRC to find out if there is something you need to see! Please sign paperwork and send it back to school the next day.

Please initial the Behavior Chart each week.

Sincerely,

Mrs. Tolbert

The Schedule

A SPECIAL THANKS!!!!

Thanks to everyone who attended "Meet the Teacher" day! I enjoyed seeing everyone!

Also, I greatly appreciate your assistance in sending in supplies for the students to use this year. They will definitely be put to good use!

What's Happening:

- Please check your child's folder regarding information about the Egg Drop Competition! All GRC grade levels will participate in this event this year at school! The winners of the best devices will be given the opportunity to attend an Egg Drop Competition that will be held at the University of Montevallo! It will be here very soon so the students need to get busy immediately!
- The concept this year is *CHANGE*. We will be learning about change through the lens of *Oceanography* and *Living With the Land*!
