

INTRODUCE A GIRL TO ENGINEERING DAY

There's a little bit of engineer in every girl. Let GIRL DAY help bring it out!

Introduce a girl to engineering day (Girl Day) is a worldwide campaign promoted by Discover E to introduce girls to the fascinating world of engineering. The goals of this event are to introduce girls to powerful role models, enhance their understanding of engineering, and encourage engineering or technical careers. Please join us in this fun event and together we can make a difference in a girl's decision for her future career.

Agenda for the event:

- Welcome
- View the Dream Big movie
- Tour stations to learn about different engineering disciplines, skills, and projects
- Lunch (provided)

High Schools should RSVP by January 22, 2018 to:

Alicia Bailey, P.E.

(205) 263-2169

Sain Associates, Inc.

2 Perimeter Park South, Suite 500 East

Birmingham, AL 35243

Space is limited to 150 people, please RSVP early!

GIRL DAY EVENT

Thursday, February 8, 2018

McWane Science Center

200 19th Street North

Birmingham, AL 35203

Registration begins at 9:30 am

Event is 10:00 am – 1:30 pm

Busses unload at the front door of McWane Science Center and can then park in a remote lot. Schools register at the front table and will then be directed to the meeting room.

Free to attend

Free parking in the McWane Science Center parking deck for teachers, chaperones, and volunteers

Women in the engineering industry will be available throughout the event to discuss ideas, career paths, or any questions you may have regarding engineering. Several engineering companies along with McWane Science Center are sponsoring this event.
