

Cyber Detectives Camp 2018

June 18-22

July 16-20

<http://www.uab.edu/cas/criminaljustice/>

OPEN TO HIGH SCHOOL STUDENTS GRADES 10-12

Learn how law enforcement agents use cyber space to solve serious crime! Receive hands-on training on collecting evidence, searching for hackers, identifying malware, probing bogus financial institutions, analyzing defaced web-sites, and open source intelligence gathering!
