Dear Counselor,

Coosa Pines Federal Credit Union has been serving members for over 70 years. We were created in 1950 by people who wanted to pool their money to loan to their friends and coworkers in times of need. Our 23,000 member-owners are still serving each other and their communities, although on a much larger scale.

To that end, it is my pleasure to announce that Coosa Pines Federal Credit Union will be awarding \$16,000 in scholarships to graduating high school members planning to pursue post-secondary education in the fall of 2021. The credit union is committed to improving the communities we serve by funding scholarships to incent the best and brightest students to pursue their education goals at the institutions of their choosing.

Judging will be conducted by a Scholarship Selection Committee. The scholarships will be awarded to students who are Coosa Pines FCU members and who exemplify credit union values of personal and civic responsibility through their grades, extracurricular activities, essay responses, letter(s) of recommendation, and/or community service.

Enclosed you will find a copy of the application, which includes instructions. **The deadline for application is Friday, April 9, 2021.** Please feel free to share this information with your graduating seniors who are credit union members.* Applications may also be downloaded for printing on the credit union website, www.CoosaPinesFCU.org.

All application packages should be dropped at the nearest branch or mailed to:
