How To Apply

for an *Imagine America* Scholarship

Step 1

Go to www.imagine-america.org and select the "High School Scholarships Apply Now" button.

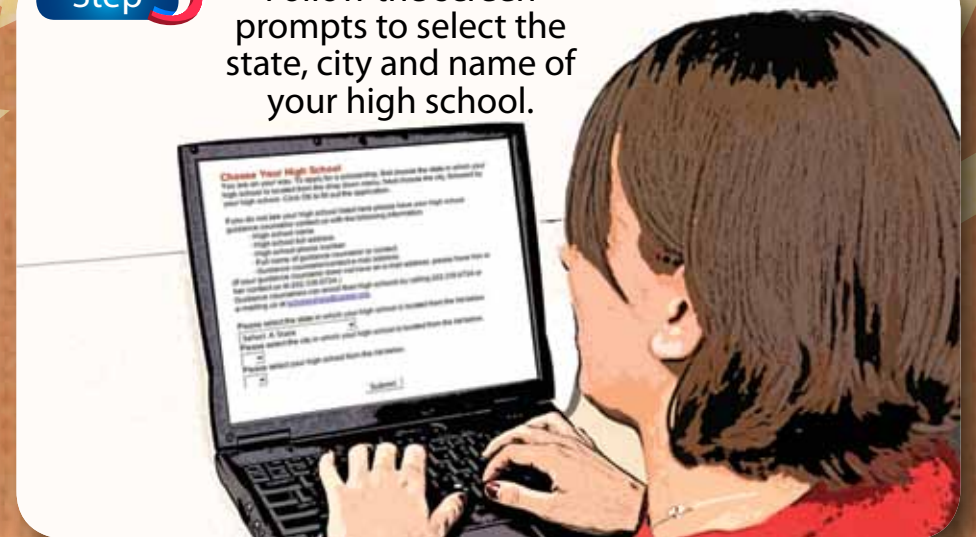

Step 2

Click on a linked college name to begin the application process.

Step 3

Follow the screen prompts to select the state, city and name of your high school.

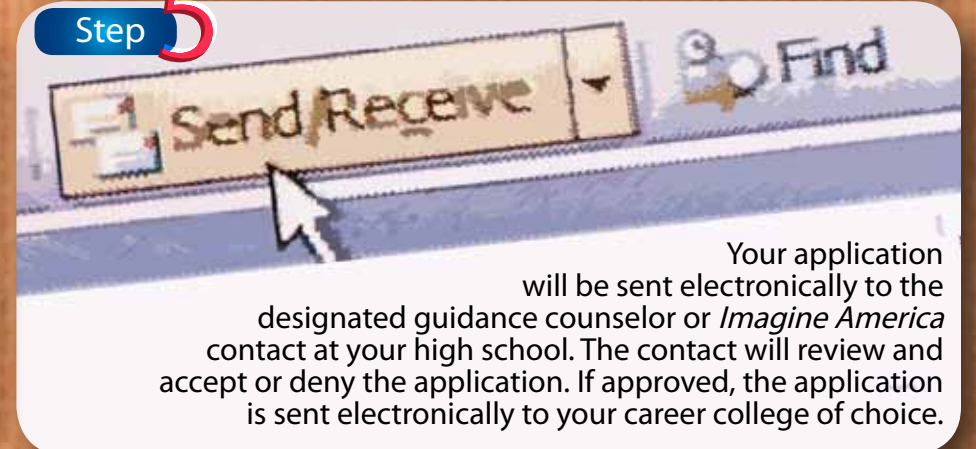

Step 4

After selecting your high school, you will be presented with a short application form to complete. Review your completed application form making sure all your information is correct. To submit your application, select "Send Your Application."

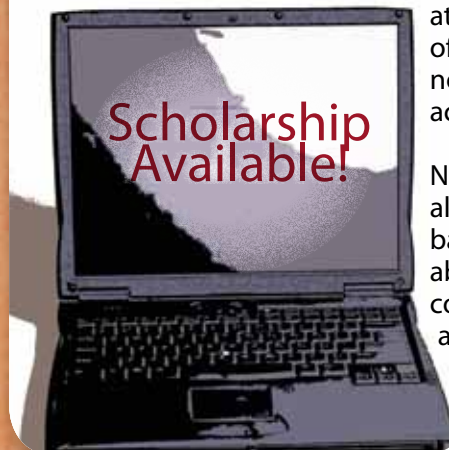

Step 5

Your application will be sent electronically to the designated guidance counselor or *Imagine America* contact at your high school. The contact will review and accept or deny the application. If approved, the application is sent electronically to your career college of choice.

Step 6

The career college will then be prompted to indicate via e-mail if a scholarship is available. If the scholarship is available to attend your career college of choice, you will be notified via e-mail of your acceptance.

Note: Acceptance is always conditionally based on the student's ability to meet the college's general admissions requirements.

Step 7

Once accepted, an *Imagine America* certificate will be sent to you through email.

After you receive your certificate and letter, it is important that you now contact your career college and complete any pre-admissions testing and applications, if needed.

Step 8

Students can view the Financial Planning Made Simple video tutorial by going to www.imagine-america.org/fpms and using their application id to log in.
